Body Boot Camp

June 25th Friday 1pm -7pm

June 26th Saturday 10am - 2pm

Join us for the 4th annual Boot Camp with this year specifically targeted for the body. With the latest advancements in technology, and recent FDA clearance for the treatment of stretch marks with the Lux 1540 laser resurfacing, Dr. Suzanne Trupin and the staff at Hada will introduce innovative ways to tighten and firm with no downtime, no incisions, and noticeable results. In addition, we will discuss combating the signs of aging, sun damage, and stressed skin.

Other treatments to be featured include:

Leg vein treatments

Scar and stretch mark reduction

Skin tightening for the body and face

Laser hair reduction

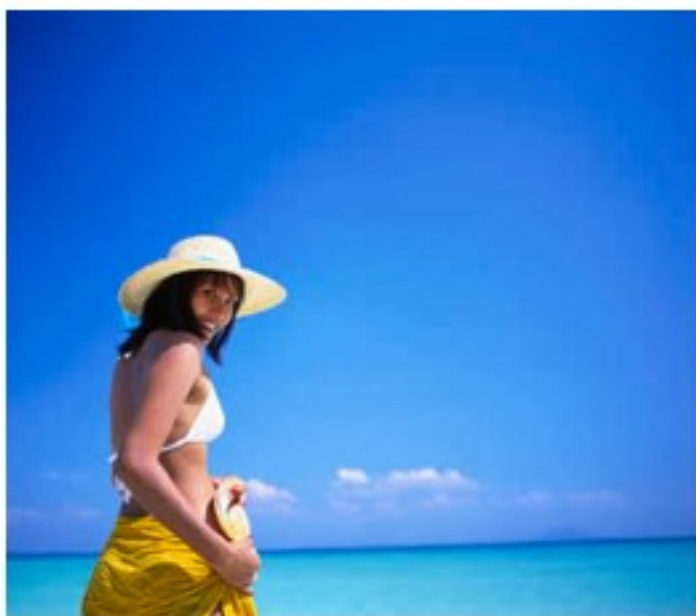

Complimentary mole check. Please call prior to the event appointments required.
