

Hada Cosmetic Medicine Opens Second Location on U of I Campus!

Hada Cosmetic Medicine has opened a new location at the Activities and Recreation Center (ARC) on the University of Illinois campus. Hada at the ARC, located in the Winter Garden, offers skin treatment and hair removal services to customers at the largest recreation facility on campus.

“This is a great opportunity for us to reach out to the campus community,” said Suzanne Trupin, MD, CEO and founder of Hada Cosmetic Medicine. “We wanted to find a better avenue to cater our services to students and faculty. With ARC’s focus on overall wellness, this location is a perfect fit for what we offer.”

The main office located at One East Main in Champaign will not be affected by the new campus location. Hada at the ARC offers a convenient option for those that do not have transportation to their downtown office.

“We understand students are very busy with classes and other activities on campus,” said Dr. Trupin. “This saves them from having to find a ride or take the bus downtown.”

Hada at the ARC is open Monday and Tuesday by appointment only, Wednesday and Thursday from 9 a.m.-7 p.m., Friday from 9 a.m.- 6 p.m. and Saturday from 9 a.m.-2 p.m. Appointments are strongly encouraged and walk-in appointments are available Wednesday through Saturday. For more information about Hada’s services or to schedule an appointment, feel free to call the main office at (217) 693-4400.
